Message from your Engagement Officer PC Pete Davison

We are continuing to receive reports from Norfolk residents about telephone cold calls claiming to be from BT.

Calls include a message claiming to be from BT stating your 'internet and landline will be cut off'; calls claiming to be from 'BT Openreach' stating there are 'problems with your router'; calls claiming to be from BT stating they can 'offer you a 35% discount on your bill'

We always advise to be wary of telephone cold calls and the claims made during them. If you receive a suspicious call claiming to be from BT do not give or confirm any personal or financial details. Hang up, wait five minutes and then call BT customer service on 0800 800 150.

If you have received a telephone cold call which you believe to be a scam you can report it to Norfolk Trading Standards via their partners the Citizens Advice consumer helpline on 03454 04 05 06.
