

WEYBOURNE PARISH COUNCIL.

CORONA VIRUS.

To all residents of Weybourne.

The coming weeks and months are going to be challenging for us all. In particular the elderly and more vulnerable among us.

During this time we will be asking residents to do what they can for their neighbours.

We would like to set up a register of helpers, if you feel you may be able to help please contact any member of the parish council.

In particular we are looking for tradesmen who might be called upon in an emergency, plumbers , electricians etc. If you would like to be added to a register of residents that would like to be called and checked please register with Lyndon 07766723717 or the village shop.

In **emergencies** we will do what we can to help, this includes essential items.

We will update information on the parish website, notice board and village shop.

Lyndon Swift , Chair Weybourne Parish Council.
